

16th August 2010

Dear All

We invite ladies of your fellowship to join with other women from across Ireland at the AGI National Women's Conference. In previous years we have enjoyed rich teaching, times of corporate worship and beautiful fellowship; and for some women these times of drawing aside have been defining moments in their journey with the Lord.

Brochures will be available in the coming months but we want to keep you informed of what is happening so that you can plan ahead and purpose in your hearts for many women to be there.

Date

The conference will take place on Friday 5th and Saturday 6th November 2010. The conference will start at 4pm on Friday afternoon through to Saturday afternoon.

Venue

We have secured the newly refurbished Tain Suite in the Fairways Hotel in Dundalk at a competitive rate. Accommodation, meals and the conference will all take place at Fairways. We have also negotiated a deal with the Crown Plaza hotel for additional bedrooms should more accommodation be required. The Crown Plaza is a five-minute drive from Fairways.

Rate

The cost for the full package of the conference is 100 Euro. This price includes bed and breakfast per person, dinner on Friday evening, tea breaks and lunch on Saturday. There is no conference fee. Single rooms in the hotel will have an additional cost.

We suggest that you consider setting up a savings scheme to facilitate the women to budget.

Booking

Brochures and booking forms will be sent to churches in the coming months giving further details of how and when to book. In order to facilitate administration we would ask that churches make a block booking. An administrator for the women's ministry team will be handling the bookings. All bookings, including reservation of accommodation for the Fairways, and payment should be sent to the administrator. It will not be necessary for the women to pay the Fairways separately for their accommodation.

Opportunity to Serve

We want to give opportunity to women to serve during the conference, and would ask that you consider what you or your fellowship can offer. There are many practical tasks that require attention, such as registration, welcome team, bookstall, baking; as well as being available to pray and minister with others. Please ask the women to contact us if they are available to help. Thank you.

We are here to serve you, and if you think we can be of specific help to you or the women of your fellowship; or you have any questions please get in touch.

May the Lord bless you,

AGI National Women's Ministry Team
